- City prosecutors will decide if the cases will be prosecuted

(CNN) -- Jesse James was cited for vandalism after an incident last week with a photographer near his Long Beach, California, motorcycle shop, police said.

Celebrity photographer Ulises Rios also was cited for stalking James, Long Beach Police Sgt. Dina Zapalski said.

Long Beach detectives were given a copy of the video of the March 25 run-in recorded by Rios, his lawyer said.

James, a motorcycle designer and reality TV star, has been the target of controversy and publicity since his separation with actress Sandra Bullock soon after she won a best actress Oscar earlier this month.

James is at a treatment facility "to deal with personal issues" in a bid to save his marriage to Bullock, a spokeswoman for James said Wednesday.

A citation is the equivalent of an arrest, Sgt. Zapalski said.

The Long Beach city prosecutor will decide if the cases will be prosecuted, she said.

Detectives with the city's violent crimes section met with the lawyer for Rios Thursday morning to obtain a copy of the video, attorney Mark Haushalter said.

a vehicle park across the street from West Coast Choppers, a business owned by James, Haushalter said.

Two tires on the SUV were slashed, a door was dented and a window was scratched, he said.

The lawyer for James did not immediately respond to CNN requests for comment.

CSG69 I hope Jesse wins this one. The paparazzi are all a bunch of idiots that are out of control. They are rude and deserve whatever they get. Most of what they write about is lies. Our courts need to stop protecting them.

Hey ladies and Gents... the paparazzi is going to take photos of all celebrities and even the common-folk (you and me). This U.S. of A. is what we believe in.. the freedom to speak, take photos, publish gossip... what makes anyone think that 'other countries' allow you to do such paparazzi freedom ...more

CCM1970 Just because a man has on a Gestapo/Nazi looking hat and NOBODY but him and the person taking it know why ... does not mean the man is a white supremacist. I love Bullock as much as the next person, but this whole situation needs to be left alone for THEM to deal with. Good Gravy!

Herman45 Back in the western days, when someone was passing as Jessee James the outlaw, he would have been shot, in the back, in the front, on his side. This one ought to be lucky that the only shots they taking at him are photos.

CSG69 You don't seem to want to hide the fact that you are an idiot. SB is at the top of the A list. And Jesse is not in any way a white supremacist. You need to stop buying the cheap drugs and stop getting your news from the National Enquirer.

53Wilikoko I must have missed something. Since when is he a white supremacist? It really seems like you are just shooting off your mouth about JJ and SB because you have an insatiable craving to call attention to yourself. I wonder if there is a rehab program for that?

bobbob1 I doubt they're online reading these news stories about themselves. Unless, of course, they really do like the spotlight. If JJ really wanted to be left alone he would go into seclusion like his soon-to-be ex. She's the one with class ... and he's the one who brought the "hell" onto himself.
